

**Love is.....**

- ♥ Love is..... a sudden, unexpected glimpse of you.
- ♥ Love is..... hearing you laughing in a crowd.
- ♥ Love is..... watching you walking with your pals.
- ♥ Love is..... waiting and waiting for you to notice me.
- ♥ Love is .....seeing you smile at me across a room.
- ♥ Love is..... hoping you will sit by me at lunch.
- ♥ Love is..... sharing a bag of crisps with you.
- ♥ Love is..... walking out of school together.
- ♥ Love is..... standing at the bus stop next to you
- ♥ Love is..... getting a text message from you!

**Now write your own sentences about how, or what, 'love' makes you feel.**

- ♥ Love is.....
- ♥ Love is.....
- ♥ Love is.....
- ♥ Love is.....
